

Places Must Visit

Prithvi Cafe

I Had Visited In Dec 2018

Quaint little restaurant tucked inside a by-lane of Juhu. Blink and you will miss the entrance to the cafe. So be alert enough to spot the black signboard that says "Prithvi cafe" while you are on the main road. The restaurant has a reasonably good menu at reasonable prices. The food is delicious, the servings are quite large and some dishes can be shared by 2 people. Attracts quite a trendy crowd of aspiring celebrities on show days. Be sure to book in advance to avoid disappointments. On other days, the crowd there is pretty hep & happening. Hosts the famous "Prithvi theater fest", which you must attend if possible.

Jantar Mantar - Jaipur

I Had Visited In Feb 2019

It's a wonderful place. Must visit this place. Must hire a tour guide so it will be better to understand all the things. It is a beautifully maintained small complex with yellow painted walls. It's a historical site famous among tourists. It contains a number of different devices that were used to measure time in different eras in the Indian history. It has a nominal ticket price of ₹15 for Indians but about ₹225-250 for foreigners. Nice place to visit. We had an incredible experience visiting this observatory and seeing the accuracy of the astronomical instruments built around 300 years ago.

Yiga Choeling Monastery

I Had Visited In Oct 2019

One of the oldest Monastery in Darjeeling. It is situated in peaceful and beautiful landscape just 15 minutes walk from Ghoom Railway Station. We can see religious God and Goddess paintings believed by Buddhism inside which can give spiritual power to one who prays there with clean heart. From the compound of Monastery on a clear day one can have a scenery of hills all around which is great for nature lovers.

📺 Avengers Endgame

Excellent Film To Celebrate MCU Ride ★★★★★

Saw it today with my kids and they loved it. You should have a minimal previous understanding of the movies or you'll miss 40% of the fun. At minimum: Infinity War, Civil War, Black Panther, Age of Ultron, and the Wasp. Problem is that the whole movie is homage to all movies. Yet you will enjoy it a lot. There is at the beginning of the movie a (spoiler alert) head dismemberment that is quite impressive. But most is comic book style figand battles. Must go to bathroom just before the movie because it does last 3 hours all worthwhile.

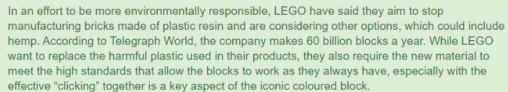

📺 The Lion King
